CLAIMS MANAGEMENT & INVESTIGATION

Our expert Adjusters provide comprehensive claims management and thorough investigative services. We specialize in a variety of claims including daily, large loss, catastrophic, flood, high net-worth and general liability claims. With over 30 years of experience, you can rely on the team at BCSI.

COMMERCIAL & RESIDENTIAL INSPECTIONS

Whether a small or large loss claim, our clients have peace of mind knowing that we carry the most advanced industry accreditations, education and certifications. With an extensive background in construction, restoration, insurance and estimating, we provide comprehensive property, roofing and building envelope inspections.

COMMERCIAL PROPERTY DAMAGE WITH ITV VALUATIONS

An accurate ITV calculation represents as close to an equal ratio as possible between the amount of insurance a business obtains and the estimated value of its commercial property—thus ensuring adequate protection following property losses. When a commercial property has damage, the carrier hires us to help determine the cost to reconstruct the structure per square foot.
